The following acts are prohibited until further notice:

1. Building, maintaining, attending, or using a fire, campfire, or stove fire except within a designated recreation site or on their own land and only within an owner-provided fire structure (see definition).
2. Smoking, except within an enclosed vehicle, building, or designated recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

DEFINITIONS:

Designated Recreation Site: A recreation area that has been improved and designated by sign as a privately-owned commercial campground, tribal, or agency-owned campground, picnic area, or trail head.

Owner-Provided Fire Structure: A permanent metal or concrete improvement specifically designed for the purpose of containing a campfire, or cooking fire provided by the agency, or landowner, with a clearance of ten feet on all sides that is free of any flammable vegetation. This does not include a metal fire pan.

EXEMPTIONS:

1. Persons with a written permit that specifically authorizes the otherwise prohibited act.
2. Persons using a fire solely fueled by liquid petroleum or LPG fuels. Such devices, including propane campfires, may be used only in an area cleared of flammable material.
3. Private landowners using charcoal (disposed of properly) or propane barbecues on their own lands.
4. Persons conducting activities in those designated areas where the activity is specifically authorized by written posted notice.
5. Any federal, state, or local officer or member of an organized rescue or firefighting force in the performance of an official duty.

For additional information on restrictions in a specific area, please contact the local land management office.

An exemption does not absolve an individual or organization from liability or responsibility for any fire started by the exempted activity.

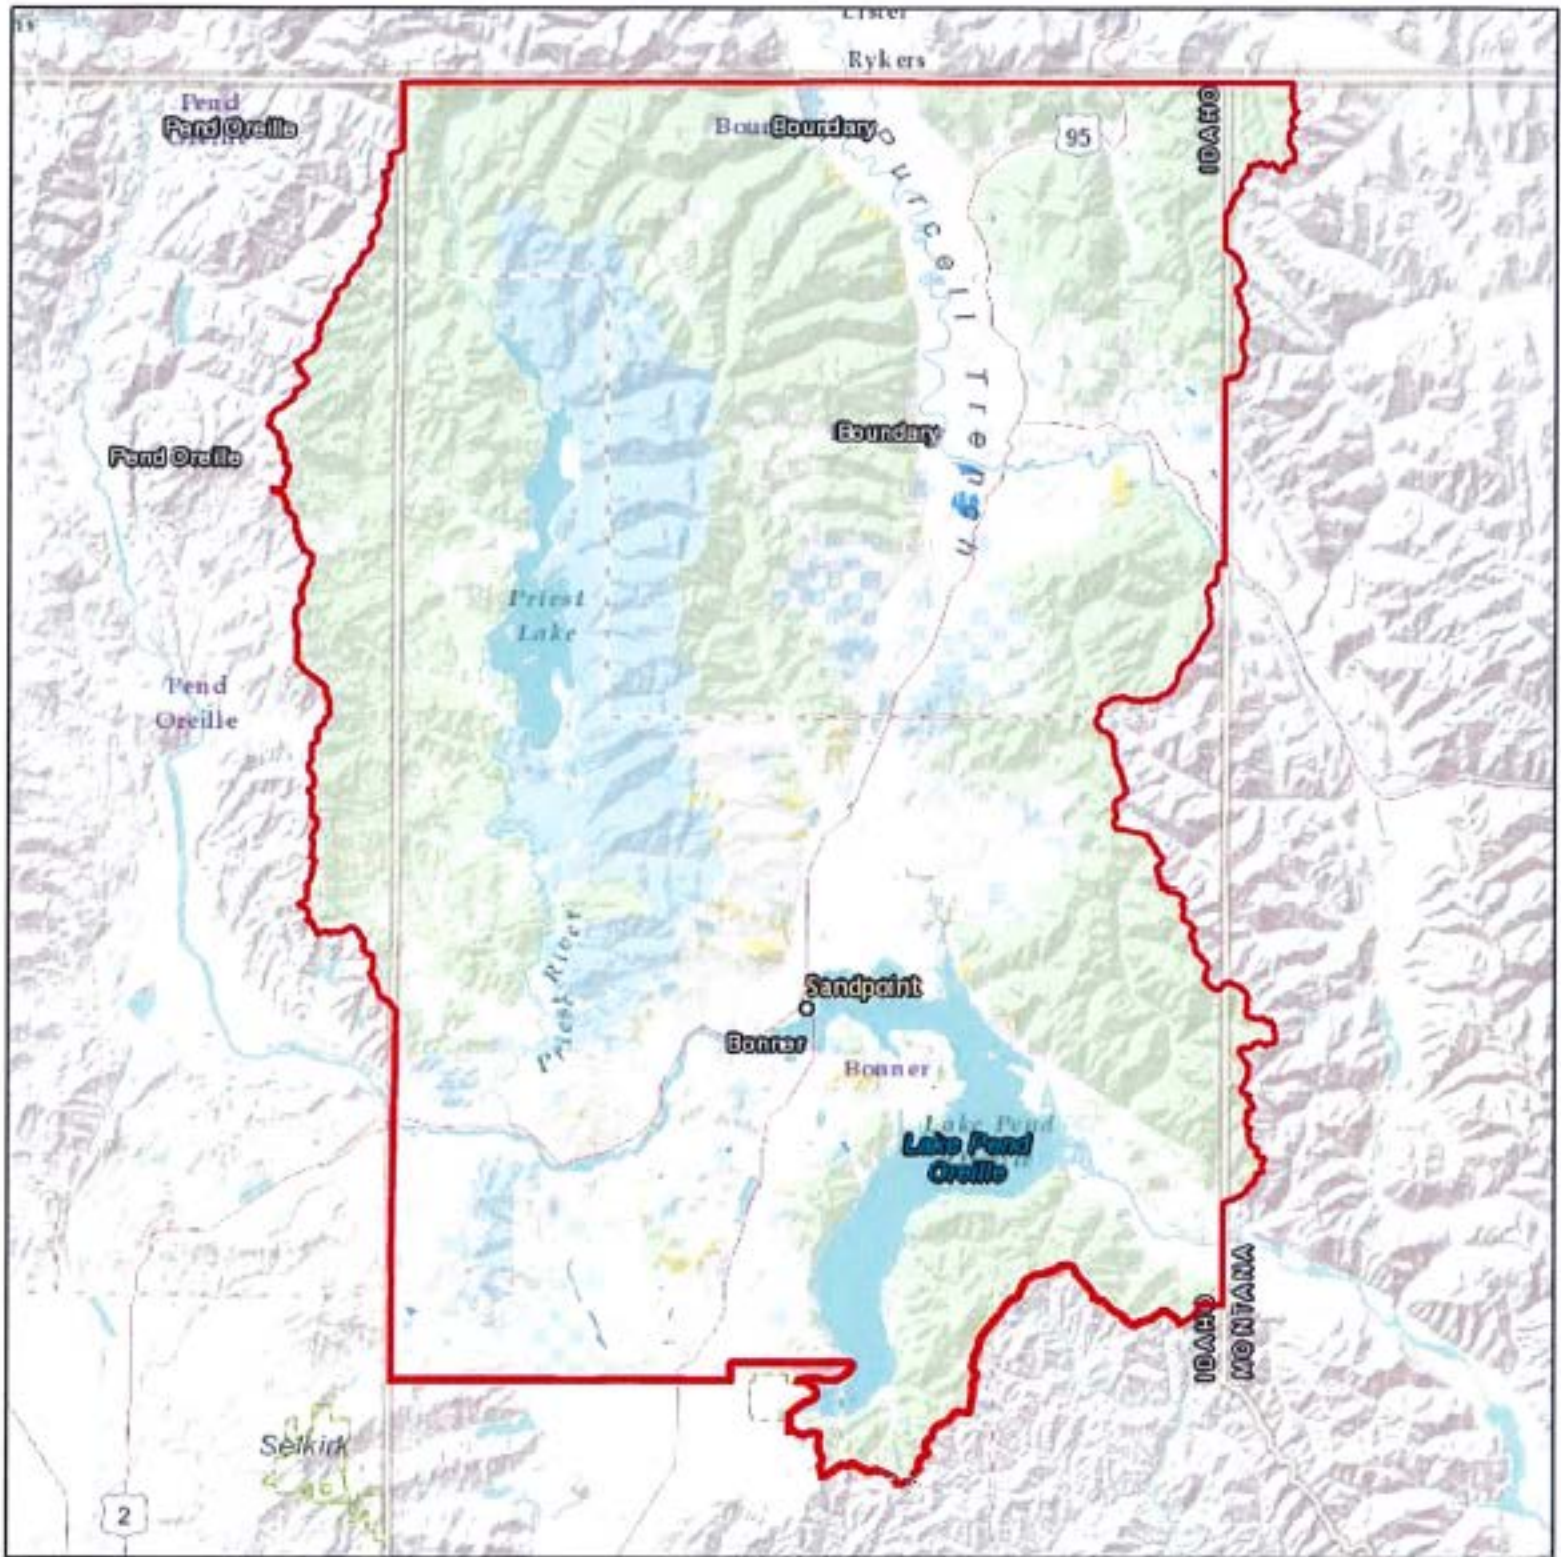

These restrictions shall be in full force and effect from 0001 hours, Friday, August 10, 2018 until this order is otherwise rescinded.
